YOUR MOBILE POINT OF SALE IN PEAK TIMES

/ MOBILE AND EASY:
FAST PAYMENT
ON THE SPOT
FOR YOUR CUSTOMERS

EASY COME EASY GO!

/ On the spot at events or in rush hour

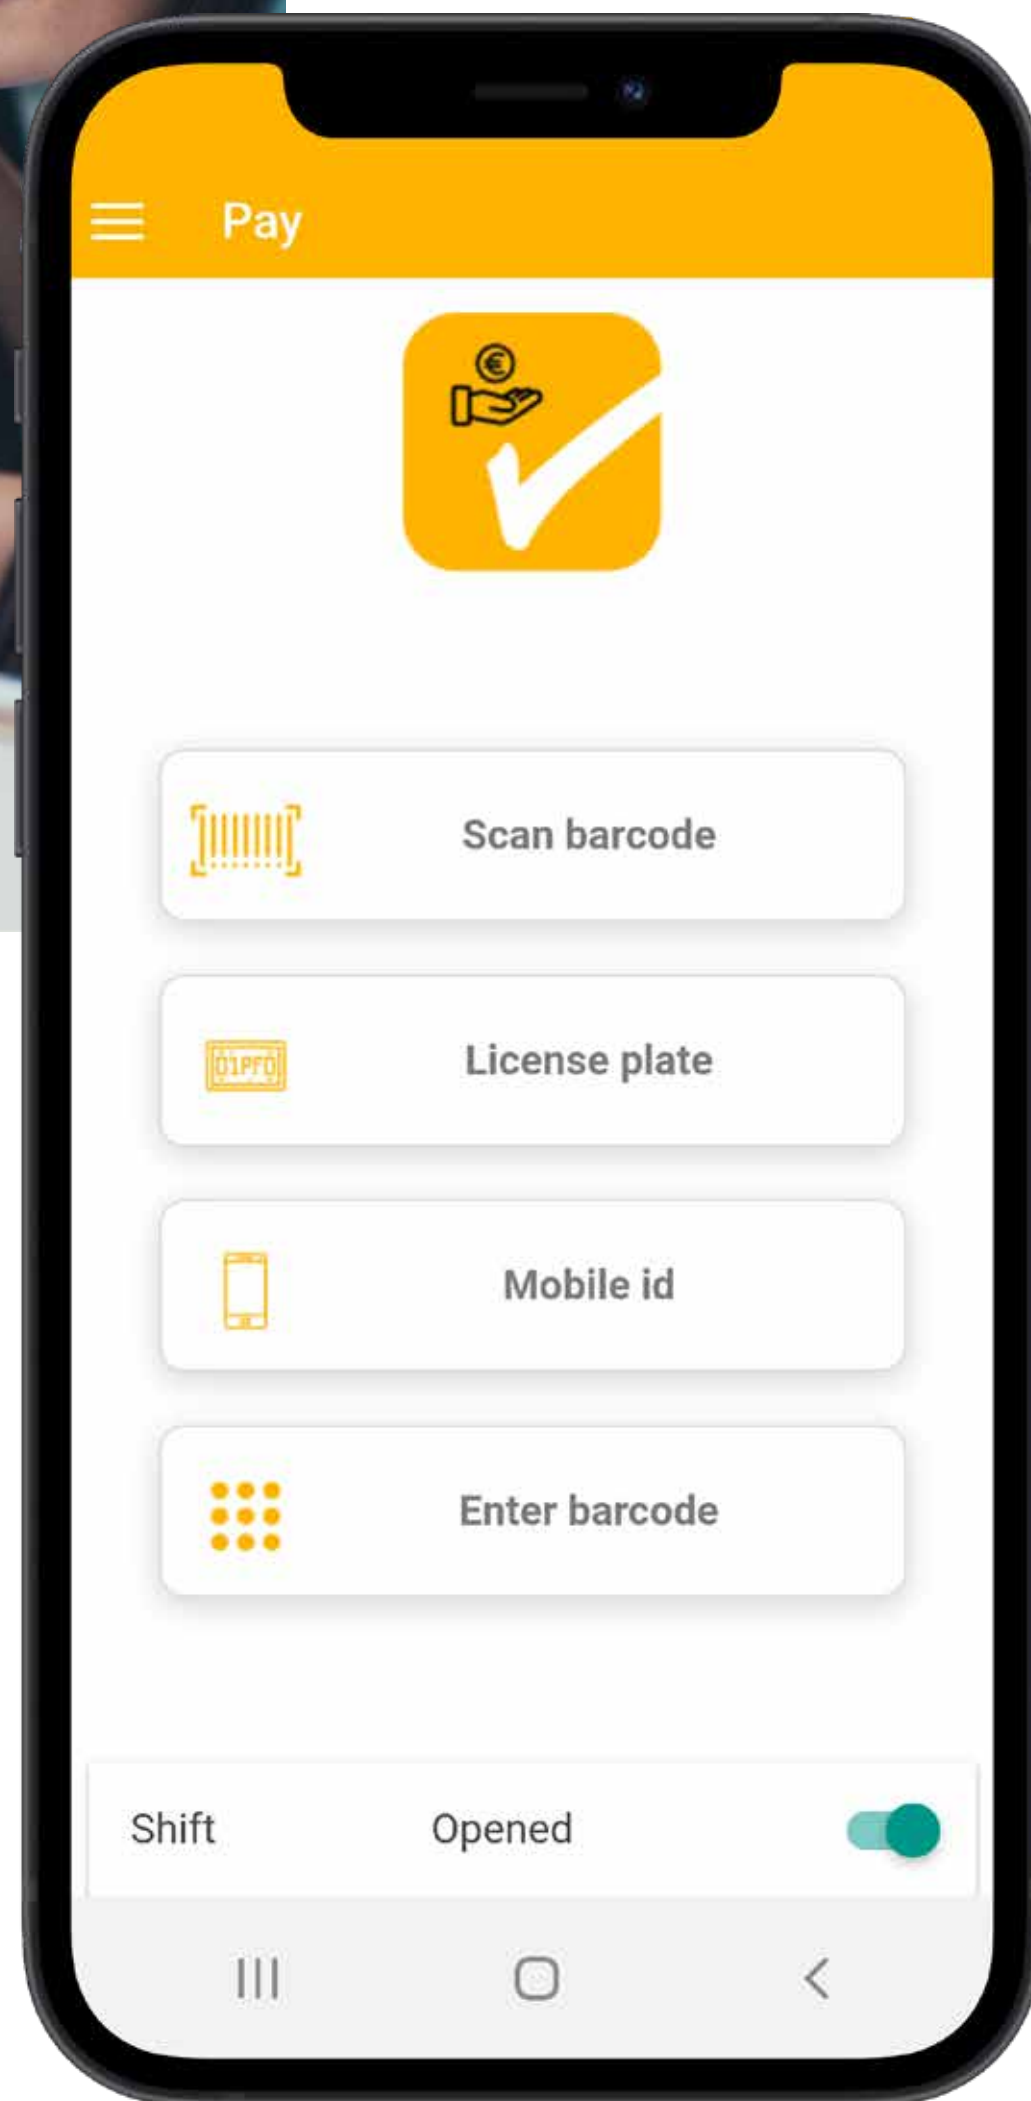

Scheidt & Bachmann offers easy come and easy go payment: everywhere at any time. Especially in times of heavy traffic – at rush hour or special events – car park management is a challenge for both car park operators/owners and customers. entervo smart cashier eases any distress at once. The mobile point of sale enables operators to offer payment on the spot – easily by mobile phone. **No more queuing. Make your customer happy!**

Ticket information is either captured easily by scanning the barcode ticket or entering the license plate number. Customers pay on site by bank card, credit card or cash. No more queuing at automatic pay stations.

Flexible and secure.

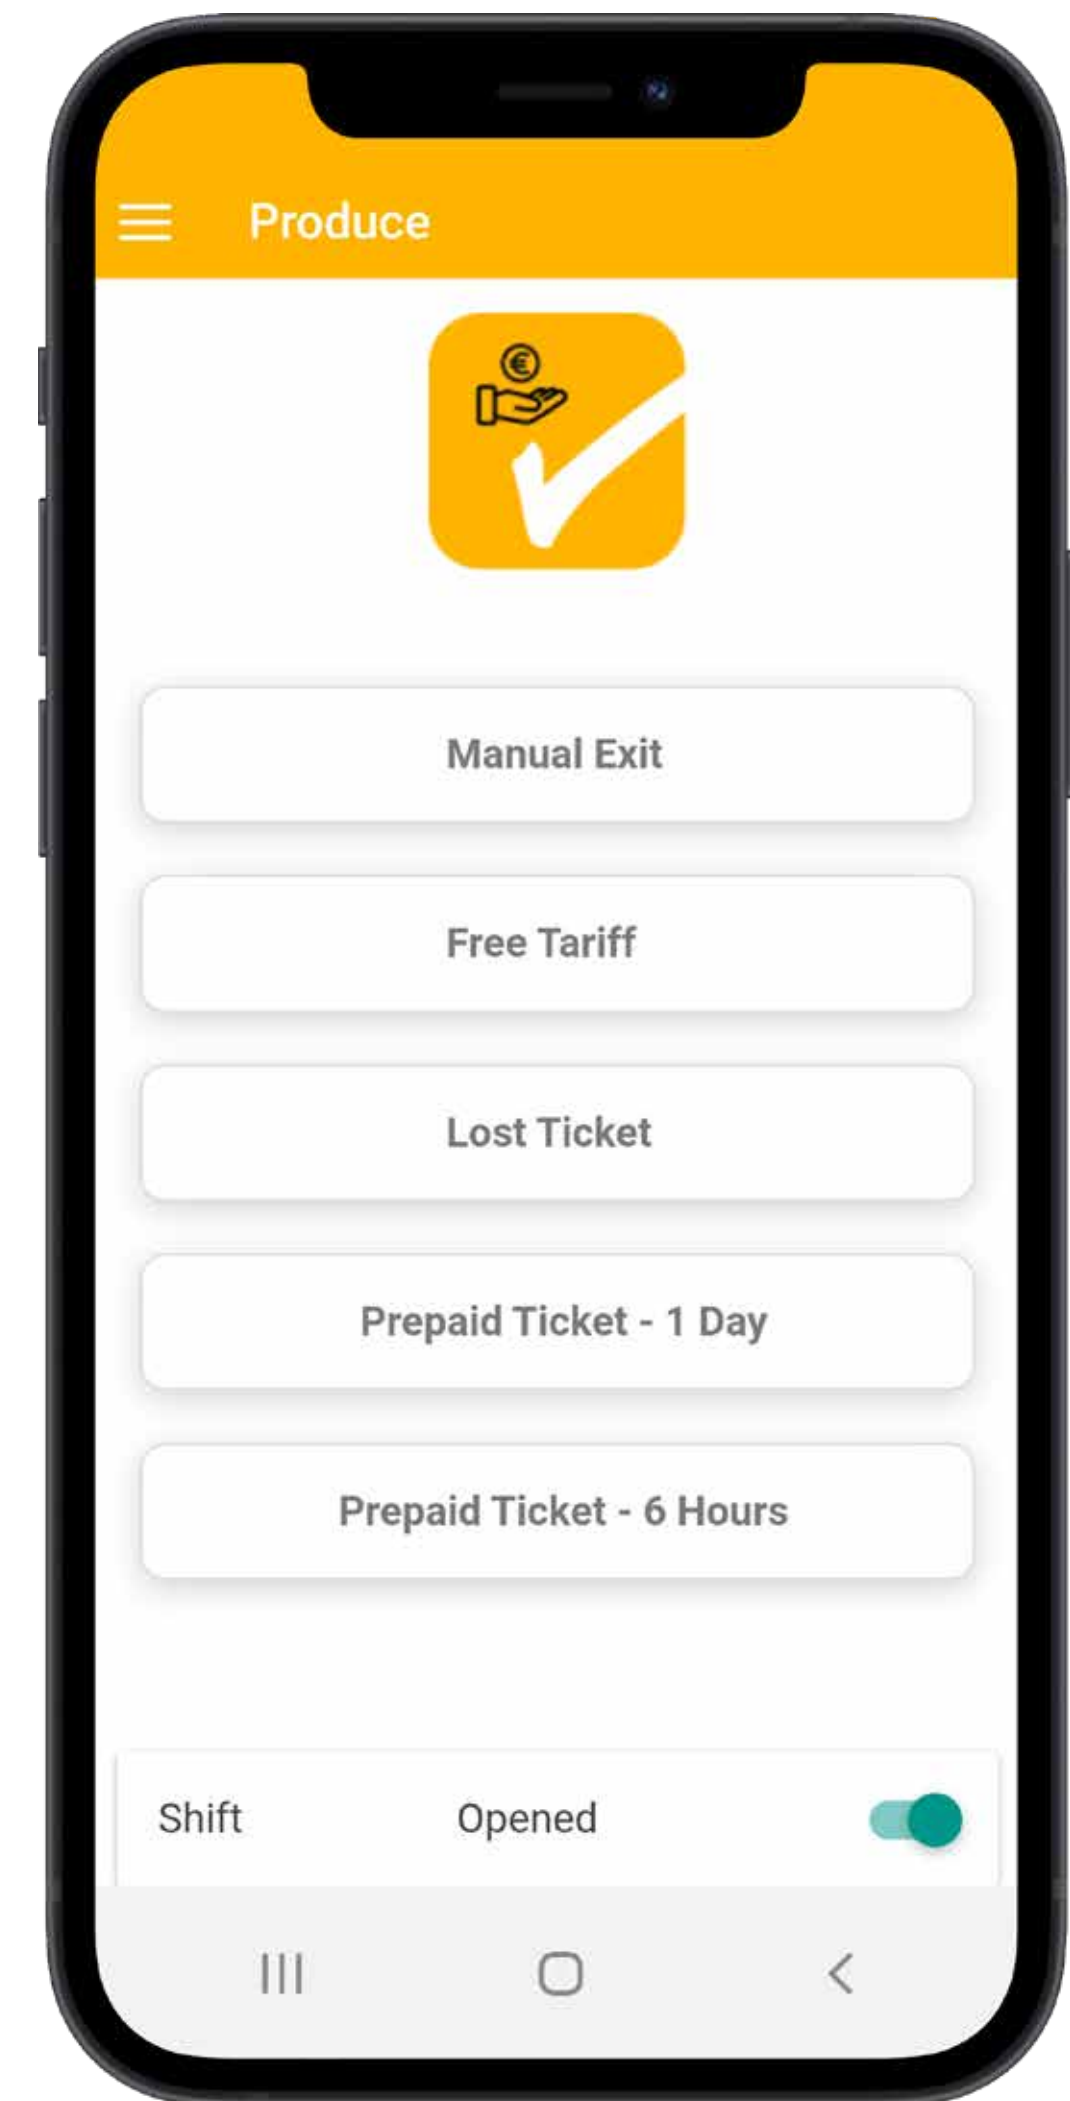

/ In-app payment

SAFE & SMART

entervo smart cashier is convenient. Car park operators/owners benefit from the connection to a wide range of entervo functionalities.

For example: a lost ticket can immediately be reprinted as a substitute QR code ticket by a Bluetooth connected printer.

Smart and mobile.

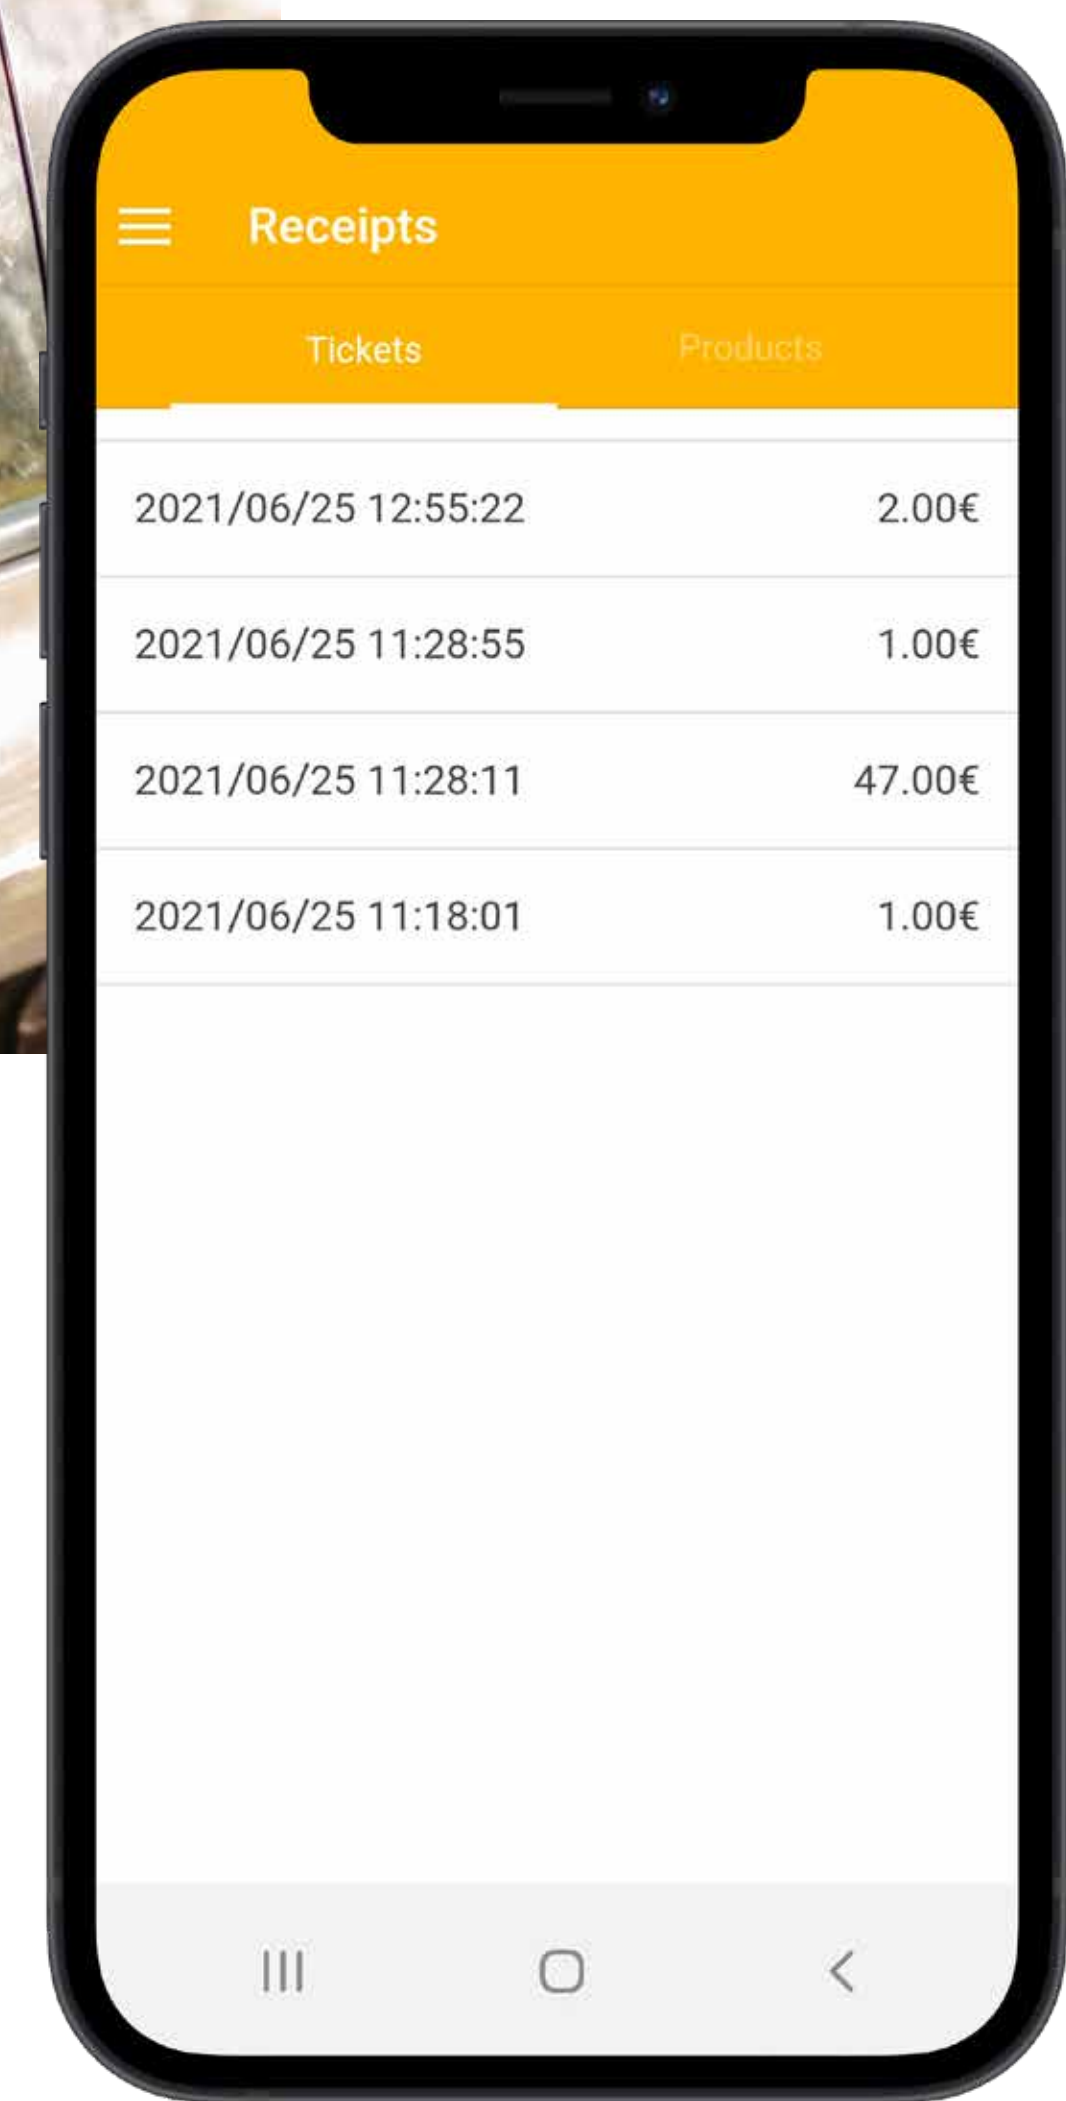

/ Payment on site

HOW IT WORKS

Pairing with a SumUp¹ terminal, entervo smart cashier accepts fully integrated payment. Customers pay with bank card or credit card on site.

Secure payment on the spot!

entervo smart cashier provides you with a detailed overview of all transactions. The app's receipt module is easy to use. Your customer needs a receipt? No problem, simply use the (re)-print function. **Simple and fast.**
